Adding The Eagle App To Your iPhone

1) Please visit <u>https://m.clientlogin.eaglecapitalcorp.com/Login/</u> from your mobile phone by clicking the link or typing it in the search bar. ****Note: For iPhone users: you MUST use <u>Safari!</u>**

2) Select the Save/ Upload Icon at the bottom of the page.

3) Scroll to the right until you see "Add to Home Screen". Select "Add to Home Screen".

4) You may rename App if you wish, Otherwise, select "Add" in top right corner.

I AT&T LTE		4:15 PM					e <		
Cancel		Add to Home Screen					Add		
~		Client Login						\odot	
		https://m.clientlogin.eaglecapital							
An icon will be added to your home screen so you can quickly access this website.
